Additional Option to the Discovering Story

(following Discovering text on page 85)

Can you think of ways that God protects us? Encourage answers, but make certain that children understand that God watches over them at all times.

What can you do when you need him to help you make good choices?

- Encourage answers, but make certain that children mention prayer and communicating their needs and concerns to God.
- Have children sing “He’s Got the Whole World in His Hands.”

He’s got the whole world in his hands
He’s got the whole wide world in his hands
He’s got the whole world in his hands
He’s got the whole world in his hands

Second verse: He’s got the little bitty babies in his hands (three stanzas then He’s got the whole world in his hands).

Third verse: He’s got you and me brother in his hands (three stanzas then He’s got the whole world in his hands).
